 La-dies, there's a si-tu-a-tion I must bring to light. A cou-ple had a ba-by in our sta-ble just last

16 B E B C#m G#m
 night. They're here from out of town and don't have an - y - one they know, and

21 A E A B **Add swing beat**
 so I have de - ci - ded that it's up to us to throw 1.a

26 E B C#m G#m
 ba - by sho - wer in Beth - le - hem! It does - n't have to be splash-y. It's
 ba - by sho - wer in Beth - le - hem, but don't no - bo - dy tell He - rod. I mean, we
 here's what I'm think - ing, a rus - tic theme! I mean, we're al - rea - dy here in a barn. We'll

30 A E A (stems up for 3rd verse only) B
 kind of last mi - nute so let's do what we can. I mean, who the heck tra - vels in their third tri - mes - ter? A
 would - n't want to bo - ther him a - ny - way, and he does - n't seem the type who would ap - pre - ci - ate a
 need some fresh hay, but in bales to sit on. There has to be some - thing that I'm for - get - ting. A

34 E B C#m (stems up for 3rd verse only) G#m
 ba - by sho - wer in Beth - le - hem! It's their first so they're gon - na need ev - 'ry - thing. I'm
 ba by sho - wer in Beth - le - hem, at least not in the way that we would. By the way,
 ba - by sho - wer in Beth - le - hem. We have - n't ev - en talked a - bout food!

38 A E A (stems down for 1st verse only) B E
 sure the dad built an in - cre - di - ble crib, but it's all the way back in Je - ru - sa - lem.
 where are all these shep - herds co - ming from? And how did they know a - bout this before I did?
 Let's keep it sim - ple, we'll make it pot - luck. The an - i - mals'll prob - a - bly eat it an - y - way!
